[DRAWING]

Clearing 702 from pavement in R door. Pavement not preserved in room. The obelisk (Senka-Amun-seken) is broken off above and below. Two sides are worn as if stone had been reused as threshold (?).

[DRAWING: hieroglyphs] all vertical. signs face r. read from r. to left

About 1 m. to D. side frag. of granit ram's head (Amon statue). Also cleared D. side of 701 to gravel revealing GU corner of older building (yellow), a block of worn granit and frag. of a granite statue.
