

(April 4)
(62)

240

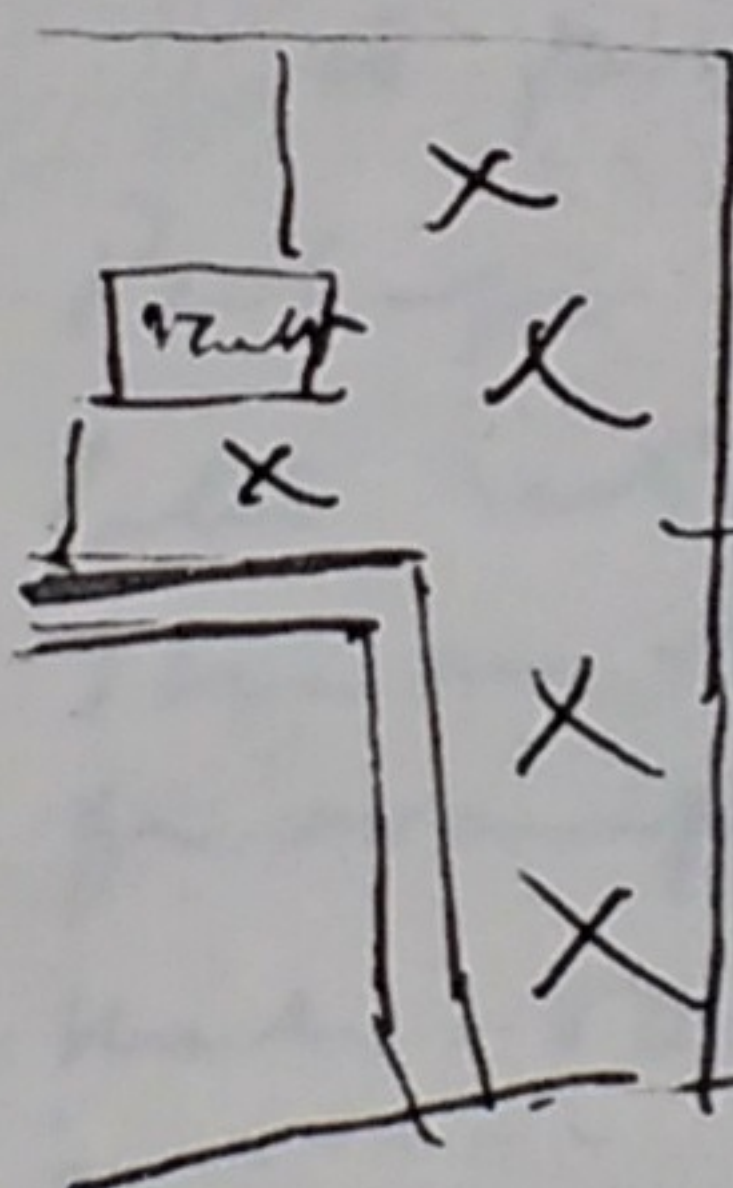

red gravel
foundation course containing round
stones (col. drums and segments).
On the W. side are stone inscribed.

grey sandstone.

The walls are red sandstone.

⑥~~500~~ At 500 A, cleared out debris in R
and W side of older structure.

cleared to gabel.

⑥ At Nuri, cont. on VIII chapel and
stair.

Wednesday
April 6

63 working
day.

Work on ① 800 ② 900 ③ 1000

④ 500 ⑤ Trench Z ⑥ Nuri

① At 800, cleared a space on the W-side
of 804.

Measuring and surveying. I am
unable to make Leathlands plan agree
with the remains preserved. The cols.
are certainly differently placed. The
