

(Feb. 22)

(26)

Work on (1) Pyr. I, (2) Pyr. II, (3) Pyr IV, (4) Pyr. V, (5) Pyr. VII (6) Pyr. VIII. (7) Trenches a'-d' west of Building 700. (8) Trench A at Building 500.

N.B.

Chambers of Pyr. VI were finished Sunday as expected.

(1)

Resumed work on Pyr. I clearing the chambers. About 11 a.m., the reis (Jai Moh.) in charge of gang, noticed the roof was unsafe and called the men out, putting them on chapel of Pyr. II. About an hour later, the roof of the first chamber fell (about 5 tons of sandstone). After lunch, the men set to work to clear away.

(2)

Continued clearing stair of Pyr. II. Many frags. of two-handled jars [DRAWING]. Two pieces of blue faience from unclear unidentified objects.

(3)

Continued clearing of chambers of Pyr. IV. Three rooms and stone bench as usual. In debris, frags. of beautifully made vessels of opaque red, blue and yellow (?) opaque glass.
