- 904-19. Fits on 10 above, statue No. 11, 168  
20. Fits on top of head No. 2, fitting 267  
on statue No. 8, Amun-anak.  
Grey granite.

The frag. on the N. side of 900 later  
pylon fits on the crown of the  
Esphate head (no. 1), statue No. 1.

The head in rec 801, probably fits  
one of the statues but has not  
yet been tried.

- ③ Clearing the rooms 503, 504 in  
the great temple. The debris  
has not been turned over  
and was down to gether. As a  
result, we must rely on the walls  
alone for information. Frag. of  
statuettes, fai., pots, beads, occur  
in this debris.

- ④ At Nuri continued clearing carved in  
hole - above outer chamber of VII.  
In the filling of drift dirt, stones  
from the facade of the temple.  
Finished the chapel of VII, -  
was not inscribed.

so!  
no pylon.

The stair has  
been cleared  
out entirely  
by phindress  
(Europeans?).
