

(March 7)

(38)

Head No. 3 does not belong to any of the bodies.

Statue no. 6: [Drawing: hieroglyphs]. This is a new name, not in the lists.

Later: Same name as No. 5.

Statue no. 7: The feet are also missing.

The distribution of the fragments shows the statues were broken before they were thrown out but there are breaks also caused in the process of throwing the statues down.
