200. (8) Trench A. 27

(1) Found entrance to Pyp. I (after 6 baskets of earth) about 9 a.m. and continued clearing it.

(2) Continued clearing of Pyp. IV, entrance and chapel.

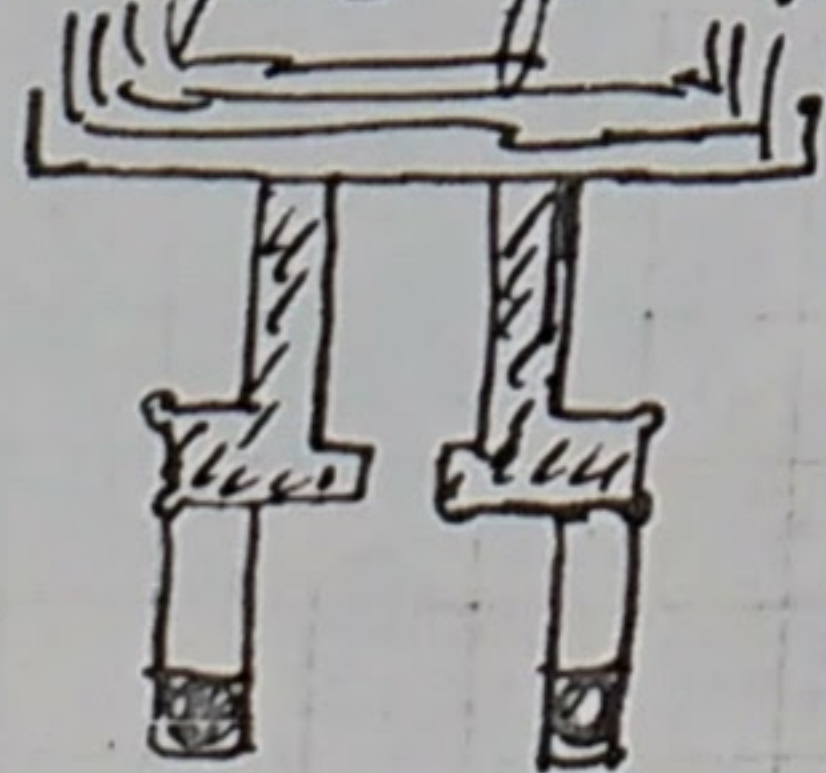

(3) Found entrance to Pyp. V (Budge's pyramid) in about half an hour. Budge's hole must have entered the chamber, something as in sketch.

I understand he found nothing; but as a matter of

record, we will clear this stair also.

(4) Finished stairway (to door) and chapel of Pyp. VI. Phondar's hole in N. end of stair as usual.

(5) Clearing stair way of Pyp. VII In debris near N end a trial in fat relief - king as Osiris between Isis & Nephthys, faces
