③ Trench A, 500. ④ Merneptah Temple.

① Breaking rocks from cliff now
underlying room 703 (room B) of Bldg 700.

Also carrying out debris from below. Nearly
in middle of room came on bk. granite ~~stone~~

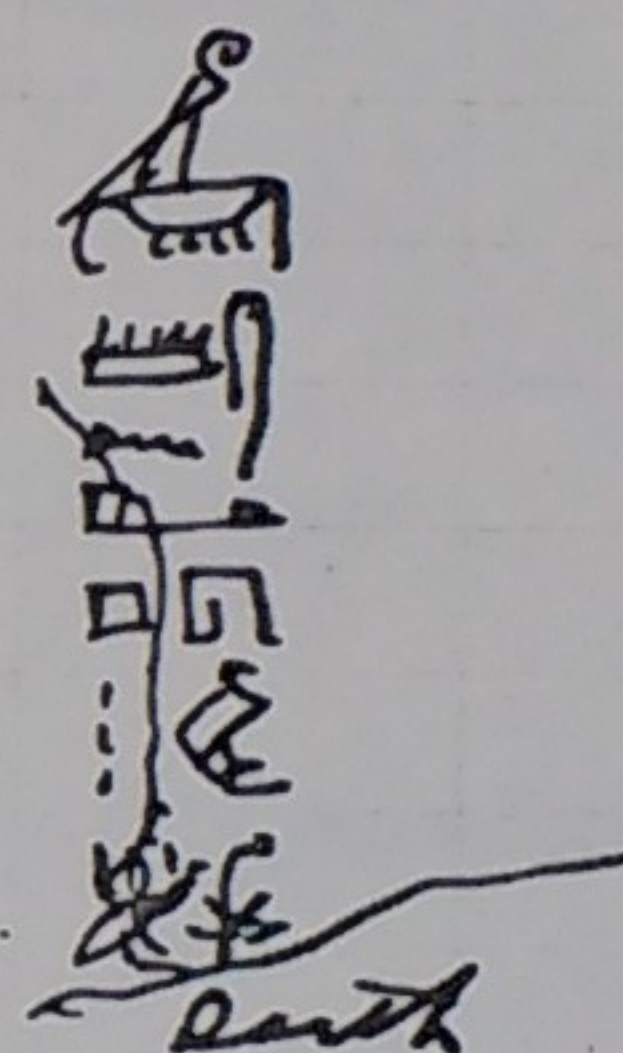

altar. The corner is knocked off but the

beginning of an inscription is visible:

The name of Atlanmerca. The

pylon inscription ascribes the

temple to Saka-en-Amon-akon.

Room 702 (A) is being cleared. to
the level of the col. bases; but in the
downing from 701 (portico) there is a
stone pavement (?) lower down.

In front of 700, continued cleaning S.
Also reopened trench b' and cleared
towards the other gang.

In front of 700
about 10 m. S,
another unattached
wall. Above
the N end of
this, in the
