

Wednesday

April 19

74 [sic]

Work on (1) 504 (2) Barkal VIII (3) Nuri VIII (4) misc. clearing at Barkal.

- (1) Cleared 504 up to cross wall of 503 (i.e. bet. 503 and 502) but 504 appears to
 —→ continue R. The plan differs from Lepsius'. The last —→ col. in
 504 (b) R has a double cartouche cut on it⁶⁹

[DRAWING]

A red stone (1 x ½ ells) found in 504 (a) has inscribed

--wing of vulture

[DRAWING]⁷⁰

- (2) Resumed work on Barkal VIII where we were stopped by threatened fall of roof in Room A. The roof has now fallen and the rest seems safe. Along the bottom is a layer of dark debris (thick).
- (3) Clearing Pyr. XVI and VII superstructures at Nuri.
- (4) Clearing various points at Barkal for map (800, 900, 500) and (200) [?].

⁶⁹ "an illegible pair of cartouches, manifestly scratched at some later period" (Reisner 1917:219).

⁷⁰ Seemingly not published in Reisner 1917 or Dunham 1970.
