

Friday
March 3
35th day

Work on (1) Bldg 700 (2) Trench D, 500 (3) Trench A, 500. (4) Merowe Temple.

- (1) Breaking rocks from cliff now overlying room 703 (room B) of Bldg 700. Also carrying out debris from below. Nearly in middle of room came on bk. granit altar. The corner is knocked off but the beginning of an inscription is visible: [DRAWING: hieroglyphs]. The name of Atlandersa. The pylon inscription ascribes the temple to Seka-en-Amen-seken.

Room 702(A) is being cleared to the level of the col. bases; but in the doorway from 701 (portico) there is a stone pavement (?) lower down.

In front of 700, continued clearing S. Also reopened trench b' and cleared towards the other gang. [DRAWING] In front of 700 about 10 m. S, another [XXX??] wall. Above the N end of this, in the
