

(Feb. 18)

(23) (6) Pyr. VIII (7) Trenches W of Temple 700 (8) Trench A.

(1) Found entrance to Pyr. I (after 6 baskets of earth) about 9 a.m. and continued clearing it.

(2) Continued clearing of Pyr. IV, entrance and chapel

(3) Found entrance to Pyr. V (Dr. Budge's pyramid) in about half an hour. Budge's hold must have entered the chambers, something as in sketch [DRAWING]. I understand he found nothing; but as a matter of record, we will clear this stair also.

(4) Finished stairway (to door) and chapel of Pyr. VI. Plunderers' hold in N. end of stair as usual. [DRAWING]

(5) Clearing stairway of Pyr. VII. In debris above N end a triad in fat relief²⁷—king as Osiris between Isis & Nephthys, faces

²⁶ Pagination seems to skip 125, although this text clearly continues from the bottom of 124 and the following page is labelled 126b...so seemingly nothing is actually missing.
