Clearing 702
from pavement in
R door. Pavement
not preserved in
the room. The
obelisk (Senka-kun-
aka) is broken
off above and below.
Two sides are
worn as if

stone had been removed as ~~the~~ threshold(?)

About 1 m. to S. side frag. of granite
room's head (Ammon stone).

Also cleared S. side of 701 the gravel.
revealing S.E. corner of older building
(yellow), a block of worn granite and
frag. of a granite statue.
