N.B. Chambers of Pyr. VI were finished Sunday as expected.

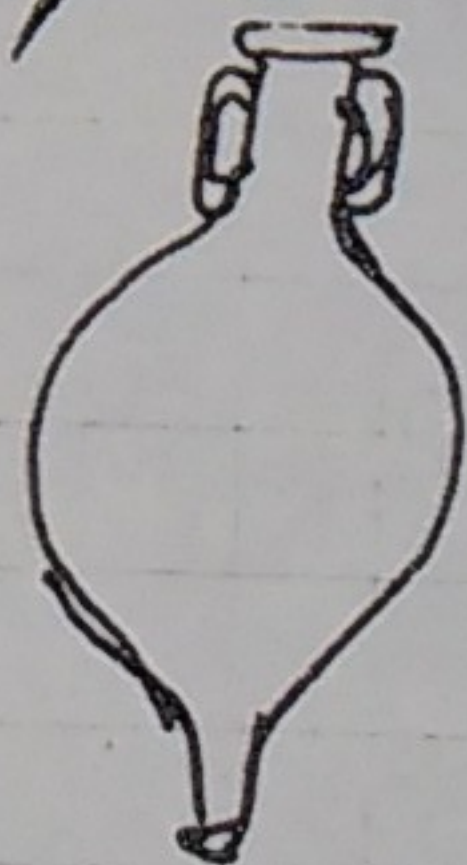

① ~~About~~ Resumed work on Pyr. I clearing the chamber. About 11 a.m., the reis (Tai Msh.) in charge of gang, noticed the roof was unsafe and called the men out, putting them on Chapel of Pyr. II. About an hour later, the roof of the first chamber fell (about 5 tons of sandstone). After lunch, the men set to work to clear away.

② Continued clearing stair of Pyr. II.

Many frags. of two-handled jars

Two pieces of blue faience

~~from~~ ~~from~~ unclear unidentified objects.

?

③ Continued clearing of chambers of Pyr. IV

Three rooms and store house as usual.

In debris, frags. of beautifully made vessels of opaque red, blue and yellow(?) opaque glass.
