Tuesday Dec. 24.	Locals -- 44 Horses arrived Building hut. <u>Plastering walls</u> and building kitchen. Sent a boat to fetch roof of <u>Nuri Hut</u> .
	* Started work on mud Heap (B 1200: Lepsius P: Cailliaud g) in front of Rock cut Mut Temple of Tirhaqa.
(1) B. 1200. Dec. 24.	About 150 meters in front on the Rock-cut temple to Mut (B 300) made by Tirhaqa and just "north" of the pylon of B 800 lies a heap of mud debris containing crude brick walls. This is B 1200.
	[Drawing] Put a gang of men on B 1200 digging trench from "N" to "S" on the "N" of B 1200 Descended through ca. 150cm of dirt (decayed mudbrick, dirt, sand and broken stone) to a layer of red sand -- which forms "gebel" in this area (as at B 100).
Wednesday Dec. 25.	Locals -- 54. Building kitchen hut. Plastering on hut. Boat with roof from Nuri, arrived. Work on (1) B 1200.
(1) B. 1200 Dec. 25.	Trenches encountered heavy outer walls of B 1200 on "N" and "W" and the men proceeded exposing these walls.
