

(March 21)

(50) Work on (1) Bldg 700; (2) Bldg 600; (3) Bet. 700 and 500; (4) Bldg 900; (5) 500A (6) Bldg 100; (7) Nuri.

(1) Clearing rooms 702 and 703. In 702 the floor is entirely destroyed. In 703, the floor is mainly preserved (not paved) but is broken around altar. It appears that the disturbances in 703 were previous to the last fall of rock while the disturbance in 702 was subsequent to this fall.

(2) At temple 600, breaking blocks over back part. Also clearing bet. 600 and 700
