the level of the Aspalta floor. Here we come on two doorways and two rooms of the Aspalta structure (?). The stairway 1231 seems to belong to the Aspalta Palace as well as the rooms 1232 and 1233. Frags. of painted cols. and stones (some with remains of inscriptions) occur in 1232. In the broken ground at "S" side of 1232, various

[Drawing]

frags. pottery, faience, and a piece of baked pottery impressed with a seal.

This is a duplicate of the seal [Drawing] on the scarab found in the well B 200, but not the same (smaller).

Wednesday Jan 29

32nd day of work.

Locals, --

Work on, -- (1) B 300
(2) B 502 EX "S"
(3) B 503 EX "N"
(4) B 1200

A furious sand storm came up about 8 a.m. and made work difficult. The men at 501 and 502 were shifted to 503 EX "N" and about 10 those at 1200 to 300.
