

(March 30)

(58)

[DRAWING: section]

apparently dumped debris: The fragments of statues were dumped into the room with this debris. Potsherds, frags. of faience, and burnt palm wood occur, also burnt brick, stones. The walls of the room are fire-marked.

The modern surface has been dug over. Some of the sebah holes penetrated the mud-brick walls of the room.

(3)

Continued clearing a floor in 500 G—same level as Pylon floor. Practically finished. Ordered this gang to continue clearing in front of 600 until 500 G can be registered to date.

(4)

Continued clearing on I and V at Nuri. Apparently no trace of chapel on river side—ordered No. VIII examined on Gebel side.

Man reported find of stone on west bank opposite our house at Merowe. Sent Said Ahmed, who brought a measured drawing
