

(March 11)
42

After looking over the ground, ¹⁸² ~~84~~
back Mr. and Mrs. Snowport "good bye".
They rode off with a school policeman
to Wady Ischazali to spend the night
and make a plan of the buildings
about the church.

We returned to launch and drove them
on the left of the Island to Beirut.
Reached works at about noon.

Train, $1\frac{1}{2}$ hrs. late. Kemp
arrived from Cairo. He stays here
two weeks for instructions before going
to Kerma.

Work on ① Bldg 700 ② Street
(and Bldg. 9003) ③ Trench E 500 ④ Hawi
Temple.

- ① Cleaning away great blocks of stone.
as usual, at back of 700.
- ② Cleaning street to River, we came
on the corner of a building the back
wall of which has been worked at
by sottakhi (as 800). It can not
