dark with organic decay. (wood, cloth, etc.).

[DRAWINGS]

At xx above mastaba in black layer a gold bracelet,⁷² frags. of a glass vessel, two gold ornaments (?) [DRAWING], and various small objects and a skull. On the D. side of the first pillar on the left in the third —→ room () the greater part of a body (mummified?) with cloth (wrappings) and wood (coffin?). At the head end of this body 3 bronze vessels, one large bronze disc (mirror?), a small mirror with decayed wooden handle and two faience

⁷¹ Renumbering seems to skip one. But there are two p. 281—perhaps need to renumber these few pages.
