day

Reached works at 8 a.m. Left at 4:20

Hot wind and dust after about noon.

Worked on: ① Bldg. 700; ② Tunnel (Bldg. 800); ③ Bldg. 500, 10; ④ Bldg. 500 A.

① Cleared SW wall to fallen rock, cleared
across front, clearing portico and
room inside Pylon.

The portico is certainly
a later addition

but the interval is
at present indeterminate

The floor of the portico

is on a level with the top of the walls.

The statue found by Mr. Budge lies now
