

Monday
Feb. 28

Day or rest for men.

Sent for Kemp (telegram and letter) to go to Kerma.

Copy diary to Drummond.

Great flight of heron.⁴⁴ Sand storm.

Tuesday
Feb. 29
32nd
working
day

Reached works at 8 a.m. Left at 4:20. Hot wind and dust after about noon.

Worked on (1) Bldg. 700; (2) Trench X (Bldg 800); (3) Bldg. 500, D; (4) Bldg 500 A.

(1) Cleared SW wall to follow rock, clearing across front, clearing portico and room inside Pylon.

[DRAWING]

[DRAWING] The portico is certainly a later addition but the interval is at present indeterminate. The floor of the portico is on a level with the top of the walls. The statue found by Dr. Budge lies now

⁴⁴ Storks migrating north that pass Barkal at the end of February or in early March.
