The three largest frags are inscribed (in relief) as follows:

[DRAWINGS: hieroglyphs]⁵²

(2)

Reached back wall of 600.

[DRAWING] None of the walls or cols. are inscribed. On the D. side of 603 there is an inscribed stone (reused) built into the wall. In 601, was the elbow of a bk. granite statuette.

⁵² Two of the three fragments illustrated in the notebook were published in Reisner 1918:106 (in *JEA*); the third is on Plate XVI (bottom) of that article.
