This is the first evidence that these
chambers contained valuable furniture
apart from gold ornaments.

④ Continued work on stair of Pys. V
(Budge's Pys.) Stair steep; steps high.

⑤ Continued work on stair of Pys. VII

⑥ Continued work on stair of Pys. VIII.

Cleared threshold hole in front of Pys. and
worked on E face. In the threshold
was a frag. of a wreath cornice from
the chapel.

Apparently the upper step
was incised below the top
of the lower step. The

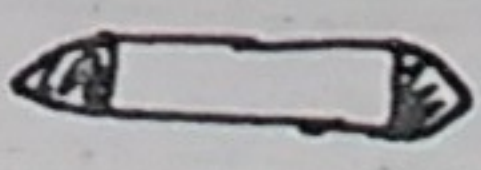

lower step was filled with red gravel etc.

⑦. Continued trenches a'-d' W of Bldg. 200.

Moharik

Early in the morning, found under one of the
stones in the trench d', a number of objects,

— torso of very small statuette (with royal crown)

of rough work, several stone rings 

bracelet form (C- and X-group Nubian), some
with smaller hole (perhaps unfinished)
