50th Day of work: --

Work on (1) Dump Heap in "SE" corner 501 (2) Outside Door
in "N" face B 501.

- (1) Work continued as yesterday removing old dump heap. Using 4 cars on "S" railway line and majority of the men.
- (2) Work continued clearing immediately outside door, in sand and sandstone block debris fallen from temple wall. Started working "W" to follow up outer face of "N" wall 501. A few black granite and one or two slate chips from the work here.

Following is sketch plan of B 501 as revealed by exposure of "N" half, with indication of subdivision into areas as per columns.
