

Monday  
March 27

Day of rest for men.  
Dunham and I to Barkal on survey and object register.

Tuesday  
March 28  
56<sup>th</sup> day

Work on (1) 700 (2) 600 (3) 900 (4) 500 A (5) 500 G (6) Nuri

- (1) At 700. Clearing GD corner outside. Cleaning pavement in 703 (well laid). Clearing on G. side of G. U. corner. Impossible to complete plan until these places are clear.

In 704, on D. wall is a stone with inscription in relief built upside down in wall. Same type as inscriptions of Atlanersa found in debris of 708.

[DRAWING]<sup>55</sup>

In the same wall, next [to] the doorway is a stone with the upper part of a face (nose, eyes, crown) in sunk relief (good work). Opposite is a [DRAWING: crown] in relief.

- (2) At 600, clearing 602. Clearing bet. 600 and 700. Here in black debris (sub 600) were some scraps of
