(1) B 502  
Feb. 11  
Continued clearing B 502 section IX 2-3  
Frgs. hieroglyphic stelae (granite) in relief.  
Same rough work as frgs. found in  
trench B 500 A upper debris in 1916.

(2) B 1200  
Feb. 11  
Now clearing away under R.W. line.  
The high wall which was visible (over  
the Aspalta room, "NW" corner) before  
excavation and had been undermined  
in modern times, was measured and  
removed to prevent it falling on the  
workmen.  
Working with Metawelli on details.
