

March 7
38

on a paved street.

175

~~178~~

- ② Worked on 500 E.
③ Finished well in same temple
i.e. stopped by water.

Wednesday
March 8
39th
day.

Took levels in 500 A.

Work on ① Bldg 200. ② Bldg 500 A

③ Bldg 500 E.

- ① Continued clearing in front of
200. Attempted to follow street towards
"gabal" but it is not preserved. However
we uncovered a square block
of masonry (a room) at the end
