Thursday

March 23

52nd day.

Went to Nuri in the morning while Dunham and Kemp went [?] to Barkal. I returned to Barkal at 12: noon.

Work on (1) 703; (2) 600; (3) between 600 and 500; (4) 500 A; (5) 100 sub; (6) Nuri.

(1) Working over floor of 703 found a wide trench descending along D. wall. This side must have been accessible after fall of rock.
