

Sunday  
March 26  
55<sup>th</sup>  
day of  
work

Stayed at Merawi, getting Kemp off to Kerma. Sent 9 Egyptians. Instructions to employ as many locals as necessary. Under ordinary circumstances, 9 Egyptians with 30 locals will open as many tombs as one may [XXX?] efficiently record.

Dunham went to Barkal in the morning and returned for lunch.

Work on (1) 700 (2) 600 (3) front of 600 (4) 900 (5) 500 A (6) 100 (7 Nuri)

I did not see this work until Monday the day of rest, when Dunham and I worked all day at Barkal.

- (1) Clearing D. wall of 700. Also breaking blocks (fallen cliff) at GD corner. Working at GU corner in connection with outside of D wall of 600. Cleared all the U. end of pylon and along the U. wall in connection with the work
