[Drawing]

a. a circular stone with hole, set in ground level with foot of buttress

b. a fireplace coals, ashes, and potsherds.

c. a loose place in floor with potsherds.

No doorway appears 1203 or 1204 and there must have been foundations.

In 1203 we found near the floor;

(1) 3 RW bowls [Drawing]

(2) a small blue glazed steatite

[Drawing] scarab...[?] [Drawing]

(3) parts of two small fai. udjats.

Beads etc.

The character of the building is not yet clear
The buttressed wall is like that of B 900. The date is also uncertain but my impression is Ethiopian or earlier.
